

ROADWAY EXPRESS, INC.

NATIONAL CARRIER – U.S., CANADA AND MEXICO
NSSEA MEMBER DISCOUNT – 62%

Roadway Express, Inc., based in Akron, Ohio, is the national carrier in NSSEA's Freight Discount Program providing direct LTL (less-than-truckload) service between hundreds of points throughout the U.S., Canada, and Mexico.

The 62% discount applies to all minimum charge LTL class rated shipments moving between interstate areas serving the United States and Canada.

Roadway, one of the nation's largest LTL carriers, has absolute minimum charges per shipment depending on the weight or whether the shipment is direct or non-direct. Your charges will not go below that charge even after the application of the discount.

Here are the absolute minimums:

\$83.95 – 1-149 lbs.

\$97.25 – 150 lbs. or greater

\$104.60 – non-direct shipments

- ✓ Inbound collect to you at your place of business.
- ✓ Outbound prepaid or collect from your place of business.
- ✓ Third party billing - shipments moving to and from any location, with freight prepaid and billed to you at your place of business.

Roadway is primarily a long haul carrier, but also handles medium and some short hauls. Your local Roadway terminal can provide you with a matrix showing its state-to-state service. You might also want to request a copy of ROADWAY'S SERVICE TARIFF which lists points in the U.S., by zip code, that are NOT served direct; and points in Canada by Canadian zip code, that ARE served direct. You should also ask for a copy of its ENHANCED SERVICE OPTIONS that lists charges for providing additional services such as C.O.D., inside delivery, etc.

To participate in the program, fill out and return the enclosed participation form. Once it is received and processed, which takes about a week to 10 days, you will be notified in writing the date in which your participation begins.

Signing on with any carrier places you under no obligation. You may use any carrier as little or as much as you wish.

Should you have any questions, contact Sonia Hill at Roadway's Richmond, VA, office.

NSSEA MEMBER FREIGHT PROGRAM

Shippers Advantage Program

Logistics Management, Inc. (LMI) in cooperation with some of the top motor carriers in the U.S., is pleased to provide quality freight service with exceptional discounts to your company.

(LMI base rates are approx. 10-15% lower than standard carrier rates which produces a discount equivalent to 65 – 70% off current carrier rates for billed freight charges on outbound, inbound, regional and long haul shipments)

This program is available at NO-COST to all NSSEA participants.

What discount will I receive on my freight bill?

You will receive a substantial discount on all inbound, outbound, or 3rd Party billed shipments where your company pays the freight charges. Discount is off lower LMI contract rates.

| | | |
|---------------------------------|--|-----------------------------------|
| Long Haul Floor Minimum Charge: | \$70.00 | Web-Based Rating Tools (MYLMI) |
| Regional Floor Minimum Charge: | \$53.00 | Expedited/Time Critical Shipments |
| Single Shipment Charge: | Waived | Volume and Full Truckload Rates |
| Call Before Delivery: | Waived | |
| Long Haul Lift – Gate Charge: | \$50.00 | |
| Regional Lift – Gate Charge: | \$35.00 | |
| Fuel Surcharges: | <u>Approx. 65% lower than industry average</u> | |

How can I be sure I'm paying the correct freight rate?

A major benefit of the program is that LMI pre-audits every freight bill prior to your payment. This insures the base rate, commodity classification, discount, and rate extension are correct. You keep all pre-audit corrections. LMI forwards your audited freight bills weekly to your office so you can remit payment directly to the carriers.

How do I activate the discount and get started?

Just complete the enrollment form on the web or fax the enclosed form to LMI at (864) 458-8103. Upon receipt of your form, we will activate your discounts. Once your pricing is active, we will provide you with a client code and billing instructions to be used on your purchase orders and/or outbound bills of lading.

High Volume Discount Option: If you spend over \$8,000 per month on LTL shipments, LMI offers an individualized, fee based program that provides more aggressive pricing, additional carrier alternatives, and additional administrative support/efficiency. Call Chris Mapp for details at (864) 458-8871 or e-mail cmapp@lmiservices.com.
