

Sponsorship Opportunities at The 23rd Annual Ed Expo

PUT YOUR COMPANY IN THE INDUSTRY SPOTLIGHT AND BRING YOUR PRODUCTS AND BRANDS TO LIFE

It has been proven that on-site marketing more than **DOUBLES booth traffic. (according to Center for Exhibition Industry Research)**

Extend the impact of your exhibit, brand, and message by sponsoring a particular function/event at Ed Expo. Position your company and its brand(s) as a strong proponent of this annual gathering of the industry's finest manufacturers, distributors, and dealers.

Sponsorship of a particular function/event also fosters the primary purpose of our conference: to provide a networking environment for members to create, maintain and improve their relationships, for suppliers to show first hand their latest and greatest products, and for individuals to enhance their professional development through education.

In return for your advancement of these ideals, NSSEA will promote your support in a very professional and prominent manner and all sponsors will be recognized accordingly, with publicity, signage, and ribbons. We offer a wide range of sponsorship opportunities that allow you to choose the program that works best within your budget. All sponsors will enjoy the following benefits:

PUBLICITY - - Not only will your company's name be prominently featured at the event you sponsor, it will be featured in the official Ed Expo Program, *Essentials* magazine, two issues of NSSEA's e-newsletter, *Essentials Weekly*, as well as special signage boards throughout the conference hall. Early commitment to sponsorship will also include you in any new promotion brochures, the primary communication materials mailed to thousands of prospective attendees.

WEBSITE LINKS - - By sponsoring an event, your company logo will be displayed on the NSSEA, School Products Expo and Ed Expo website, linked directly to the website of your choice.

NAME BADGE RIBBONS - - Official conference sponsor name badges will be provided to all of your attending staff to display your sponsorship support.

BOOTH SIGNAGE - - You will be provided with special signage to prominently display in your booth.

MARKETING SUPPORT - - We will work with you to promote your support by providing conference collateral materials along with a list of registrants for your pre- and post-event marketing.
