

# Keep more **PROFIT** on every credit card sale

## NSSEA Credit Card Processing:

- Negotiated group discounts on nationwide MasterCard® and Visa® processing rates help you keep more profit on every credit card sale.
- Funds automatically deposited in your local bank account within 2 business days — stop waiting 30 days or more for invoices to be paid.
- Increase sales by accepting corporate purchasing cards and government procurement cards.
- Simplified monthly billing and easy-to-read statements.
- Additional volume discounts may apply.

## Virtual Terminal:

- Securely process transactions from any computer with Internet access.
- No processing equipment or software upgrades to purchase.
- Detailed online reporting and transaction management tools.

## Free Savings Analysis:

How much additional profit could you keep this year? Find out with the program's free savings analysis. This powerful tool will show you exactly what you are paying now and how much the negotiated program rates could cut from your monthly processing costs. It's fast, confidential, and there's no obligation to enroll.
